WiN

IYNC-WiN 2018 will be held in Bariloche, Argentina, and will bring together more than 700 young and senior professionals, students and academia from all over the world. Under the theme Challenge the present, empower the future, IYNC-WiN 2018 will feature plenary sessions, interactive workshops, technical tracks, a large variety of technical tours and networking activities. In the spirit of volunteer organizations, we are seeking corporate and organizational sponsors and exhibitors who believe in the future of the nuclear industry and in the potential of the next and current generations.
