

ABOUT THE IYNC NETWORK

IYNC has held eight successful conferences around the globe: in Slovakia (2000), South Korea (2002), Canada (2004), Sweden/Finland (2006), Switzerland (2008), South Africa (2010), the United States of America (2012) and Spain (2014).

The recent Congress in Burgos attracted 354 participants from 34 countries, and was executed with help from over 70 volunteers from around the world!

Promote further peaceful uses of nuclear science and technology

- Develop new approaches to communicate the benefits of nuclear power
- Provide a platform for professional networking among future leaders in the nuclear industry from around the world
- Transfer knowledge from the current nuclear generation to the next
- Transfer knowledge across international boundaries

Platinum Sponsor Gold Sponsors

Silver sponsors: China Nuclear E&C Group and GE Hitachi Nuclear Energy

Bronze sponsors: Exelon Generation, Entergy, Duke Energy and Spanish Nuclear Group for Cooperation

Contributors: Holtec International, Canadian Nuclear Association, Vattenfall, Ontario Power Generation, Fennovoima, Scana, Terra Power, Foratom, European Nuclear Society Young Generation Network, Nuclear Energy Agency, Urenco, Thomas Thor Associates and World Nuclear Association

Exhibitors: CNNC, SPIC and Westinghouse
