

I4N-AYGN : Rules & Guidelines

IYNC- Innovation Contest : I4N 2020

Purposes of I4N :

- Reward innovative ideas focused on nuclear technologies or applications that will contribute to the **United Nations Sustainable Development Goals**
- Give a platform for the visibility and discussion of these ideas
- Canalize young energy into thinking about and creating innovative solutions

What about I4N 2020 :

- The competition will be taking place at the IYNC Congress in Sydney, Australia
- Winners from local contests are eligible to participate in this world-wide competition and will receive a financial aid for travel expenses
- Two categories of ideas will be rewarded : (1) technological or research project and (2) organizational or societal project.

AYGN Contest : I4N-AYGN

iync.org

I4N-AYGN Contest

Criteria of selection by the jury of nuclear experts :

- Description of the idea (/6) : Clarity, thoughtful use of illustrations or videos
- Innovation contribution (/4) : Forward Thinking, Creativeness, Resolution of current problems and limitations
- Applicability of idea (/6) : Possibility of bringing the idea to effective action by using various resources in an undefined time scale, Business plan proposal, Individuation of possible stakeholder interests, Depth of research, Quality of arguments and analyses
- Contribution to sustainability (/4) : Contribution of the innovation to the sustainable goals as described by UN : <http://www.un.org/sustainabledevelopment/sustainable-developmentgoals>.

I4N-AYGN Contest

The list of successful applicants to continue the contest will be announced in January 2019.

I4N side-event of AYGN workshops :

- Each successful team will have to participate to one I4N side-event depending on their localization.
- Dates of side-events : North and West Africa in FEBRUARY 2019, East and Central Africa in JUNE 2019 and Southern Africa in OCTOBER 2019

Presentation of idea at I4N side-events:

- Each team has to present their idea with a 10 minutes pitch followed by 5 minutes of questions/answers (Q/A).
- If the team cannot be physically present, a video of 10 minutes should be send beforehand to the organization team. The Q/A can be done by skype.
- At least half of the team has to be involved in this phase of the contest or will be eliminated.

I4N-AYGN Contest

The jury will select the semi-finalists and the finalists based on the same criteria.
